

A PLEDGE TO

OCCUPY

A PLEDGE TO OCCUPY.

I was born to OCCUPY!

I am a child of the Most High God.

The earth and the fullness belongs to Him. I ask for nations as my inheritance.

Wherever the soles of my feet shall tread on, I will OCCUPY!

I am ready, willing equipped and able to occupy.

I have what it takes to take on new expansive and fruitful territory.

I am fully loaded and configured with every resource required to have dominion.

Greater is He that is in me than he that is in the world.

I can do all things, through Christ who strengthens me.

Impossible is nothing. Impossible is a dare.

With my God, I can scale mountains, I can outrun troops.

I will OCCUPY!

They prepare a table before me, in the presence of my enemies.

But I will not be distracted.

I will drink of the cup full of opportunity.

Even in enemy territory, I am anointed for exploits. I will OCCUPY!

The Kingdom of God suffers violence and is forcefully advancing.

I am part of God's army. I am armed with the word of truth and the weapon of faith.

I take on great opportunities in the land.

I advance in it and within it. I will OCCUPY!

The Grace of God surrounds me. The glory of God shields me.

I am confident. I have the spirit of might and a sound mind.

I occupy not by my power or might but by the Spirit of God.

I go forward and fulfil my God given destiny.

If God is for me, who can be against me?

I am not afraid of evil news. My heart is firm and steadfast.

I trust in the Lord and expect good news as I take action daily.

I breakthrough every obstacle before me.

I prevail in the land. I will OCCUPY!

Nothing will stop me. I OCCUPY vast land!

I walk in the victory that has already been won for me.

I pursue, overtake and recover all that belongs to me.

I slay Giants for breakfast. I eat them for lunch. I testify about them at night time.

I fight a good fight of faith. I triumph over the enemies of my soul.

I bring all distractions under submission to the word of God.

I am resilient. I go the distance. Quit is not an option for me, my business or my household.

I sow great seed and will reap great and mighty fruit.

I flourish in the land. I am a force to be reckoned with.

I am a game changer, an influencer, a shaper of society.

I am a history maker. A trailblazer. I embrace fully my purpose.

I am a force of good. I cannot be ignored.

I am ultra fruitful, I multiply and have incredible dominion.

I (insert your name)will OCCUPY!
